Waitlist

Fellows Scholarship Application

Scholarship Waitlist: Due to the high volume of qualified applicants, available scholarships have been reached. Scholarship applications that are now submitted are added to a waitlist, and qualified applicants will be moved to an accepted Scholarship as openings become available.

The waitlist is prioritized based on the order in which applications are submitted. The Course Organizers will provide status updates should waitlist applications be moved to the approved scholarship category. Accepted applications will receive an acceptance letter via email, including important information about travel arrangements and hotel accommodations at the Sheraton Pentagon City Hotel, 900 South Orme Street, Arlington, Virginia.

Scholarships include:

- Registration, hotel accommodations, and travel expense reimbursement.

Scholarship Eligibility Criteria

Fellows: Fellows currently enrolled in (or entering) a clinical cardiac electrophysiology fellowship program in the United States who have not attended the Summit on-site in a previous year.

Scholarship Application Submission, Review, and Selection

Please complete the application along with all requested documentation and return via email to: info@epfellowssummit.com. **Subject:** EP Fellows Summit & Arrhythmia Program Scholarships.

Case Competition: *Optional. While strongly encouraged, entering a case into the case competition is not a prerequisite for eligibility for a Scholarship. However, Case Competition participation is limited to Scholarship Applicants. Please refer to the Case Competition page on the website for details on participation. You may submit your Case during your Scholarship Application Submission or separately (no later than October 11, 2024).
